Social Responsibility

*“Having come from a humble background,
it is a special privilege to be able to give
back to our communities.”*

“
Liberty Immigration Bond’s
understands the need to give
back to the communities in
which we operate.”

Giving back to the community is a priority here at Liberty Immigration Bonds. We enthusiastically support education, the armed forces, children, and health awareness. Here are a few important events in which we have had the pleasure of being involved:

Liberty Immigration Bonds recently showed their love and support for the March of Dimes by walking 6 miles through downtown Riverside, helping to raise money in the fight to prevent births.

The Armed Forces give themselves so that we may enjoy our democracy at home. Therefore, we teamed-up with San Diego Home Cooking on Mother’s Day to honor Military Moms and Wives. Our two local, family owned companies, encouraged guests to nominate Military Moms and Wives during the month of April for a complimentary Mother’s Day meal and spa day.

Liberty Immigration Bonds also showed its appreciation and support for the military on Father’s Day by connecting with military families. We donated 150 international calling cards to For The Troops, a Southern California non profit, for overseas troops to be able to contact their loved ones.

Over the past three years, Liberty Immigration Bonds has donated over 10,000 backpacks for students in San Diego, Bernardino, Los Angeles and San Diego counties. Liberty Immigration Bonds also supported the Pink Ribbon Place and its mission to spread breast cancer awareness.

Liberty Immigrations Bonds has sponsored local professional boxers, such as Josesito Ortiz and Ian “The Barn Owl” Loveland, and stepped up again recently to sponsor three more great fighters: Soto-Karass, Ponce De Leon, and Ringondeauz Ortiz in events televised on Showtime and HBO.
